In February 2018, the Sacramento City Council made a $5 million investment to purchase, rehabilitate and lease two buildings in Oak Park. The City Council designated Sierra Health Foundation as the lead for the Oak Park Project because of its long history of promoting health and racial equity in partnership with communities. Sierra Health Foundation and its nonprofit partner, The Center, will own and manage the project properties in trust for the benefit of Oak Park community residents.

HELP BUILD A STRONG LEGACY IN OAK PARK!
Would you like to help make decisions that positively benefit the Oak Park community? Consider applying to join the new Oak Park Trust Advisory Committee!

THE OAK PARK PROJECT
This project brings together new development opportunities, a strong interest in health careers for residents, and the desire for all Oak Park residents to benefit from positive neighborhood changes.

Members of the Oak Park Trust Advisory Committee (TAC) will give advice and make recommendations about the operation of the Oak Park Trust Project, and will guide decisions about funds it raises and how they are used. The TAC will be made up of community members, business leaders and staff — all working toward a common goal of using these new resources to provide the most benefit to the Oak Park Community.

We need residents who are excited about the opportunity to make this vision a reality — people with many different skills, a commitment to working together and a desire to get things done. We want to include residents of different ages, backgrounds and histories who represent the diversity of Oak Park. Inclusivity, equity, integrity, respect and compassion are important values for each member to embrace.

WHAT IS EXPECTED OF TAC MEMBERS
Members will be selected in early 2019. They will serve two-year terms and meet monthly for 1.5 hours with dinner provided. No member will serve for more than two consecutive terms. TAC members are volunteers and are not compensated for their time or service.

If you would like to be considered for a seat on the TAC, please go to www.shfcenter.org/OakParkProject and download the application packet. You may also pick up an application packet at these community locations:

BHC Sacramento, 4625 44th Street, Suite 10
WayUp Sacramento, 4625 44th Street

Once you complete the application form, please e-mail it to OakParkProject@shfcenter.org or you may send or deliver a hard copy to us at The Center at Sierra Health Foundation, 1321 Garden Highway, Sacramento, CA 95833. Applications are due by January 31.
