

MOVEMENT LEADERSHIP

HOLISTIC HEALING

HOLISTIC HEALING

Learn healing practices and teachings rooted in different cultures. Healing will be embedded throughout the fabric of the entire program to build a healthy and solid foundation.

KNOWLEDGE BUILDING

KNOWLEDGE BUILDING

Learn the history of the criminal justice system, mass incarceration of communities of color, successful and failed program models, current trends, campaign strategies, innovative approaches and more.

STORYTELLING AND ADVOCACY

STORYTELLING AND ADVOCACY

Prepare to practice expertise with full confidence when advocating for systems transformation. Participants will have guidance to continue shaping their own narratives.

CAREER DEVELOPMENT

CAREER DEVELOPMENT

Training and support for those early in their leadership and/or career track in systems transformation, and those looking to advance to the next stages of their educational or career opportunities.

NETWORKING AND MENTORSHIP

NETWORKING AND MENTORSHIP

Grow circles of influence and opportunity, and sharpen skills in networking in a variety of settings. High-level mentors from different sectors will develop long-lasting, supportive relationships.

REAL WORLD EXPERIENCE

REAL WORLD EXPERIENCE

Opportunities to intern or shadow someone in the field in specific area of interests. Individually or collectively practice what is learned, strengthen skills and support leadership/career tracks.
