Black Health and Resilience

Hodari Davis - Keynote
Unapologetically Black!

- I want us to focus on healing, not trauma.
- We often start with black suffering, but we see black joy.
- Language matters.
- My journey has been education.
- Entertainment for equity.

- I think about curating the future.
- Language influences the future.
- Possible, plausible, probable, projected, preferable.

- It's up to us to teach black history.
- Channeling my grandfather.
