BE A PART

“There is a great need for jobs, investments and efforts that support community leaders and residents. The Oak Park Project will support improved quality of life for the Oak Park neighborhood and its residents, while promoting community ownership and leadership in local economic development.”

CHET P. HEWITT, PRESIDENT AND CEO
SIERRA HEALTH FOUNDATION AND THE CENTER
OAK PARK PROJECT TRUSTEE

HELP BUILD A STRONG LEGACY IN OAK PARK!
Would you like to help make decisions that positively benefit the Oak Park community? Consider applying to join the new Oak Park Trust Advisory Committee!

THE OAK PARK PROJECT
This project brings together new development opportunities, a strong interest in health careers for residents, and the desire for all Oak Park residents to benefit from positive neighborhood changes.

In February 2018, the Sacramento City Council made a $5 million investment to purchase, rehabilitate and lease two buildings in Oak Park. The City Council designated Sierra Health Foundation as the lead for the Oak Park Project because of its long history of promoting health and racial equity in partnership with communities. Sierra Health Foundation and its nonprofit partner, The Center, will own and manage the project properties in trust for the benefit of Oak Park community residents.

THE ROLE OF THE OAK PARK TRUST ADVISORY COMMITTEE (TAC)
Members of the TAC will give advice and make recommendations about the operation of the Oak Park Trust Project, and will guide decisions about funds it raises and how they are used. The TAC will be made up of community members, business leaders and staff from the City and the Foundation/Center — all working toward a common goal of using these new resources to provide the most benefit to the Oak Park Community.

WHO SHOULD SERVE ON THE TAC
We need residents who are excited about the opportunity to make this vision a reality — people with many different skills, a commitment to working together and a desire to get things done. We want to include residents of different ages, backgrounds and histories who represent the diversity of Oak Park. Inclusivity, equity, integrity, respect and compassion are important values for each member to embrace.

WHAT IS EXPECTED OF TAC MEMBERS
Members will be selected in early 2019. They will serve two-year terms and meet monthly for 1.5 hours with dinner provided. No member will serve for more than two consecutive terms. TAC members are volunteers and are not compensated for their time or service.

If you would like to be considered for a seat on the TAC, please complete and submit the attached application by e-mail, or send or deliver a hard copy to The Center at Sierra Health Foundation, 1321 Garden Highway, Sacramento, CA 95833. Applications are due by January 31, 2019. If you have questions about the Oak Park Project or the Trust Advisory Committee, please e-mail OakParkProject@shfcenter.org or call 916.922.4755.
