Respite Partnership Collaborative
April 7, 2015

#SHF30Years #Respite2015
Sacramento County Innovation Plan

Through the implementation of the RPC Project, the Innovation Plan will test:

1. If a public-private partnership can lead to new partnerships that will leverage new and existing resources

2. If a community-driven process that includes decision-making and program design will promote and enhance successful interagency and community collaboration

3. If a community-driven collaborative can lead to effective crisis respite programs that produce better outcomes, including reduced hospitalization
